Structure Stability Certificate

Certified that the Building of Bal Bharti International Public School, Biggar Road, Fatehabad Tehsil and Distt. Fatehabd. (Haryana) to check the structural stability of the School Building.

I have personally inspected the site & observations are as folow:-

1. The load of the roofs is on the walls. Walls are sufficient to take the load.
2. Building is fully ventilated and lighted and structurally stable.
3. The building is constructed as per the IS code 456 -2000 of specification and standards.
4. Brick masonry walls are in good condition and floors and roofs are also in good condition.
5. The certificate is valid for one year from date of issue.

In view of the above observations it is reported that the floor of the Building is safe for working.
